Cinema in Concert goes April 2022

Even if the **Cinema in Concert** show planned for May is sold out, we have to shift the concert once again due to the current situation.

To get all artists together on stage, as originally planned, the new date will be the **7th April 2022**.

Max Mutzke, Cassandra Steen, Aleksey Igudesman, Enrique Ugarte, Kathi Wörndl, the **Deutsche Filmorchester Babelsberg** as well as the **Universitätschor München** will perform together on stage in Spring 2022.

Tickets will retain their validity!
